- Office Work
Mailing, filing, clerical duties
Returning telephone calls/emails about pets for adoption
Grant writing

SUPPLY DRIVE

We collect old blankets, towels, dog collars, (all sizes), leashes, pet carriers, crates, dog food, dog beds and monetary donations for vet bills (spay/neuter).

FUNDRAISING

We are always looking for people to help with events and even plan them.

Thousands of animal are saved each month by a network of rescuers who work together. Please join us and help make a HUGE difference!

TRANSPORTING

These volunteer legs (usually 45 minutes to 1 hour) are the difference between life and death for most animals. Many owner surrenders, shelter or dogs taken from the streets have never received proper medical care. As such, all rescue animals need to be taken to the vet for basic care such as examinations, vaccines, spay/neuter and emergency care. With your help we can get them the immediate medical care they need.

To sign up for any of these activities please fill out the volunteer form.

You will be matched to the activities of your choice. Thank you so much for caring.
